## Sri Thurai Kattum Vallalar Temple, Thiru Vilanagar

This is the 157th Thevara Paadal Petra Shiva Sthalam and the 40th Sthalam on the south side of river Kaveri in Chozha Nadu.

In Periyapuram Sekkizhar records that Thirugnanasambandar came to this temple after worshipping Lord Shiva of Mayiladuthurai and Thiru Chemponpalli ( Sembanarkoil ).

Moolavar : Sri Thurai kattum Vallal, Sri Usiravaneswarar. Consort : Sri Veyurutholi. Some of the important features of this temple are as follows...

The temple faces east with a 5-tier Rajagopuram. Balipeedam and Rishabam are after the Rajagopuram. In Koshtam Dakshinamurthy, Mahavishnu is in place of Lingothbavar, Brahma, and Durgai.

In Prakaram Somaskandar, Vinayagar, Arumugar, Nalvar, Arunachaleswar, Gajalakshmi, Saneeswaran, Navagrahas, Suryan, Chandran, Nalvar and Bhairavar. Ambal Veyuru Tholi is in a separate sannadhi in a standing posture, holding chakra and Conch.

The sanctum sanctorum consists of sanctum, antarala, and artha mandapam. Except for Moolavar Sanctum and other structures are built with bricks. A two-tier vimana is on the sanctum.

### HISTORY AND INSCRIPTIONS

Since Thirugnanasambandar has sung hymns in praise of Lord Shiva of this temple, the original temple existed before the 7th Century. Later the temple was reconstructed as a stone temple during the Chozha period and further extended during Pandyas, Thanjavur Nayak's period.

There are 3 inscriptions recorded from this temple. As per the inscriptions Lord Shiva was called Thuraikattum Thambiranar, Thurai nattuvan.

Parakesari Varman Uthama Chozha's 5th reign inscription records the endowment of artha jama pooja by his wife and Queen Mahadevi for which land was donated to this temple.

During Thanjavur Nayak's period Artha mandapam and maha mandapam were built with Palace fund and Public fund. Thurai kattu mandapa was built by Deekshitha Iyyan.

Even though this temple is one of the 27 temples under the control of Dharmapuram Adheenam, the temple is in bad shape and thiruppani has to be done. The last Kumbhabhishekam was conducted on 02nd February 1959.

### LEGENDS

During Ancient times this region was densely covered with "Vizhal plants" - a type of grass, hence called Vizhal Nagar and Lord Shiva was called "Sri Vizharkattu Nathar"

After worshipping Lord Shiva of "Kadaimudi", Thirugnanasambandar came to this place. During that time the river was flooded and couldn't cross the river. So Thirugnanasambandar prayed to Mayuranathar to show him the Thurai as "Thurai Kattuvar Everenum Ularo".. Lord Shiva appeared before him in the form of Hunter and lead Thirugnanasambandar to cross the river. The river water miraculously reduced to his pada level. After crossing the river when Thirugnanasambandar searched for the hunter, found disappeared. He realized that the hunter who helped him to cross the river was none other than Lord Shiva and praised the Lord as "Thuraikattum Vallalo".

## Your Stars This Year

**Aries :** New opportunities abound as love is in the air. Deep meaningful conversation with someone new or an incomplete tie to your excitement. Such minor instances can give you a sense of emotional well-being. Love should be about the single moment. Giving in and racing at the moment is one of the best privileges.

**Taurus:** A special date or a heartfelt moment may mark the beginning of something wonderful. The secret is to be oneself. There is no need to be someone else. Love thrives on transparency and authenticity. Provided he or she sees you in the light and values you above all else, all the rest will fall into place.

**Gemini:** Attraction happens instantaneously. Acting in love requires time. Try not to rush into something this week. Being impulsive can be rather enchanting, and patience and understanding take care of the rest. Let conversation flow, emotional boundaries.

**Cancer:** Sometimes love could come at the least expected times, but you will have to get uncomfortable and let the unknown in. These can be deliberate conversations or mere glances, but trust the Universe to walk you toward something more purposeful. Trust your gut while opening your heart to the moment.

**Leo:** Your longing for deep and true love is vehement, and the Universe is listening to you. This week, be sure to hold on to and stay focussed on what matters most to your heart. Love is not about compromise; it is about finding a person who matches your level of enthusiasm, vitality, and belief system.

**Virgo:** There are specific experiences shared between people—the tiniest thing, a weekend trip, or an overlong chat—that have a profound impact on the relationship from that moment forward. Attention and effort help create love; now, those will be repaid to you in full this phase by fitting into your own love stories.

**Libra:** The warmth and caring of another can open one to the stirrings of unexpected desire. One day, love may be found in the admiration that blossoms into something more. Don't hurry; things come into existence naturally. Every so often, we are caught off guard by a love we never knew, and today you are being invited.

**Scorpio:** This week, an innocent, friendly encounter may blossom into something quite romantic. Cupid's love has this reputation of befalling one unexpectedly, so stay open to new connections. Yet to materialise or one you already have with someone you know, the moment you experience is meant to evoke.

**Sagittarius:** The power to rewrite the entire narrative of your heart. The day to do the work of forgiving yourself, not for them, but for you. Perhaps spend this time engaging in self-reflective activities that bring happiness. Come to put that chapter behind you, learning from it but opening your heart.

**Capricorn:** A peaceful, loving phase of your romantic life washes across. This week, take a moment to appreciate your partner with whom you have shared time through both windfalls and challenges. Love is built from small acts of kindness, so please nurture your relationship.

**Aquarius :** Despite reminders of past eros, a shadow on old, familiar walls, an unexpected renewal experience may present itself this week, sparking a longing for a resurgence. Universe is sparkling with fresh memories and fresh insights into the world of a renewed mentor. Cherish all existence without distinction.

**Pisces:** Love is beyond perfection; it is during the worst of times that both of you remain true to each other. Facing any difficulties in your relationship, just go the extra mile, be patient, and keep the communication open. Don't make drastic decisions based on a single mistake. Possession of that error shall always multiply both of your swords into bonds.

**PREDICTION FOR THIS WEEK**  
**06.04.2025 TO 12.04.2025**

# Feeling down? It's a nudge to discover God's presence

**H**appiness is the breath of the life of God's children. It is God's inheritance. If there is no happiness, it isn't a divine life. And it should be eternal happiness, not the happiness that you experience sometimes at a percentage. Happiness is happiness. If you have fifty percent happiness today and hundred percent happiness tomorrow, the breath of your life is fluctuating, isn't it? Even if you leave your body, your happiness shouldn't vanish. So, is this lesson always firm or is it a little weak? Have you underlined [the word] 'always'? Whenever an obstacle comes, think: it has come to go away. If someone comes as a guest, it shouldn't be that he comes as a guest and takes away everything [from the house]. You will be alert, won't you? So, the obstacle came and it will go away, but it shouldn't take away your happiness. [Your] happiness should always be with you.

The very aim of taking on the divine life is to stay happy forever. You have become God's child only to lead a happy life. You have neither become His child to work hard for making efforts nor for being entangled in some or the other problem. You have become that for attaining the spiritual inner joy or super sensuous joy that can't be attained in the entire cycle. However, check whether your happiness [depends on] any means, any limited attainment, short lived success, value, popularity, the limited wishes of the mind or [feeling] that itself is good – whether it is about a person, place or wealth – [check,] the bases of your happiness aren't based on your likings, are they? To attain happiness through these bases – this isn't any real or imperishable happiness. No matter how severe the karmic sufferings are, they too become a thorn from a spear. You shouldn't experience

the slightest sorrow even in your dreams. No matter if your body falls ill or you suffer ups and downs with regards to wealth, no matter what happens, you shouldn't have the wave of sorrow within. The wave should go past you.

To experience a wave of sorrow in the mind is also crying. You experience it when your relationship gets severed from God. So, to cry means to break your relation with the Father, to turn your face away from Him. When someone cries, you must have seen that he won't face anyone, he will certainly hide it. Similarly, when you also cry from within, you automatically avert your face from God. Being the children of the Giver of Happiness and having a wave of sorrow doesn't befit [you]. Having a gloomy mood is also crying through the face. Despite having the knowledge that this is sorrow, this is happiness, don't come under the influence of sorrow. Give credit to even sorrow, thinking, happy days are coming [soon]. People should understand even from a distance: these people are different from us.

Just like darkness vanishes in a second just by switching on [the light], similarly saying 'God' means [bringing] an end to everything like darkness or sorrow, restlessness, confusion, sadness, tension [etc.] in a second; God has given you such a mantra. It is a one-word mantra. Only 'God'. No matter how the time is, this mantra takes you across in a second. Just use this mantra methodically and on time. This one-word mantra does wonderful magic. So, always stay happy. The author is solely responsible for this article. The publisher or editor are not responsible.

## T. Nagar and R.K. Nagar flyovers to be opened in May

The new flyover, built near the Madley Road junction, was higher than the Usman Road flyover. Once the T. Nagar flyover is completed, it will be possible to go directly to Panangal Park from the Anna Salai area in C.I.T. Nagar.

Flyovers are being constructed in the T. Nagar and R.K. Nagar areas of Chennai. These flyovers have been under construction for the last 2 years. The Chennai Corporation has announced that these two flyovers will be opened for public use in May.

A new 1.2 km long flyover is currently being constructed in Chennai C.I.T. Nagar. Also, work has begun to connect the C.I.T. Nagar flyover with the Usman Road flyover to ease traffic congestion on Usman Road near Ranganathan Street in T. Nagar. For this, the northern part of Usman Road is also being widened. This work is being done so that the two flyovers are of the same width.

The flyover was scheduled to be completed last December, but due to some reasons, the work was delayed. The new flyover, built near the Madley Road junction, was higher than the Usman Road flyover. To fix this, the C.I.T. Nagar flyover will be completed before Ranganathan Street, officials have said. This will require vehicles to travel 100 meters at ground level and then climb onto the new flyover, they said.

There will also be an exit near Ranganathan Street for the public heading towards Panangal Park. The authorities are also engaged in the process of acquiring nearby land to build a service road. Once the T. Nagar flyover is completed, it will be possible to go directly to Panangal Park from the Anna Road area in C.I.T. Nagar.

Similarly, the flyover construction work in RK Nagar, Chennai has also reached the final stage. Therefore, the T. Nagar and R.K. Nagar flyovers are scheduled to open in May. It is noteworthy that Minister K.N. Nehru has also announced this in the Assembly.

## AROUND CHENNAI CITY

### Gold chit fund scam one held

A jewellery store owner named Mulligiri Anandakumar was arrested by CCB for allegedly cheating people who invested in Kanaga Mahalakshmi jewellery showroom in Valasaravakkam in his gold chit fund scheme.

The CCB police apprehended him from a hideout in Andra Pradesh. Mulligiri is currently lodged in the Puzhal prison.

Meanwhile, at least 40 people have approached the police commissioner's office with cheating complaints against Mulligiri.

As per the complainants, they approached him to retrieve the gold pledged from another pawnbroker by repaying their loan.

Mulligiri further pledged the jewellery in a private bank in K K Nagar for a higher value, while the additional amount collected from the bank was loaned to the complainants.

They were asked to pay the interest and principal amount every month at the jewellery showroom.

An investigation officer said, 'according to the complaint's version, the jewellery retrieved 4,400 grams of gold for them worth Rs. 3.74 crore. While they paid the interest and principal for the loan, they alleged.

### Advocate's body found in Virugambakkam apartment

Police on Sunday recovered the dead body of an advocate from his rented apartment in Virugambakkam after residents complained of a foul smell from the apartment.

Police sources said that the deceased was found with cut injuries on his head and face, and a murder angle is being probed.

The deceased, Venkatesan, was staying at the apartment on Ganapathy Raj main road with a friend for the last four months.

The probe revealed that the front door of the apartment had been locked for the last two days. However, residents in the apartment complex sensed a foul smell emanating from the apartment and alerted the house owner.

Subsequently, Virugambakkam police were also alerted, and a team led by the Inspector visited the apartment and entered the apartment through the back entrance and found the deceased advocate.

While the body had started decomposing, there were visible cut injuries, after which police suspected murder. Joint Commissioner (West) and Deputy Commissioner (Koyambedu) visited the scene and conducted investigations in the neighbourhood about the deceased man. Preliminary investigations revealed that he was residing in Velachery and moved to this apartment four months ago.

The body was secured and moved to Kilpauk Medical College Hospital for postmortem. Further investigations are on.

### Drunken youth arrested for hit and run

A 32-year-old police constable was injured after being hit by a sports utility vehicle (SUV) that was driven by a youth in an inebriated condition on Saturday night. The Pondy Bazaar Traffic Investigation Police have impounded the SUV and arrested the driver, M. Manikandan, for causing the accident. The police constable, R. Ganesan, who was attached to the Saidapet police station, was on Saturday night returning home on a two-wheeler after duty when the SUV, which was driven by M. Manikandan, a medical student in a private college in Tiruchi, rammed a median.

Following this, he hit Ganesan's vehicle when he was attempting to reverse the SUV at a high speed. Ganesan did not suffer any major injury as he was wearing a helmet. Other motorists rushed him to the Government Royapettah Hospital for treatment. The Pondy Bazaar Police detained Manikandan and took him to the Government Kilpauk Medical College Hospital for a medical examination, where the doctors confirmed that he was under the influence of alcohol. Following this, they arrested Manikandan.

### College student dies after bike rams wall

A 19-year-old college student died after the bike he was riding rammed a compound wall in Ashok Nagar on Saturday night. The victim has been identified as Santosh Kumar, who was a second year commerce student at a private college. He was residing in Kodambakkam. The Guindy traffic police recovered the body and sent it for post-mortem.

## Green nets are back

As the early onset of summer has elevated mercury levels, the Greater Chennai Corporation has stepped up to bring a much-needed respite to the city – shade nets at major traffic signals under which motorists can seek refuge from the swelter heat. This year, 14 locations will get the net covers, four up from the past year.

Based on the weather forecast, the directorate of the Health Department has issued guidelines to the state, indicating that temperatures are expected to rise by 2-3 degrees Celsius over the next months. Citizens have been advised to avoid direct sun exposure between 12 noon and 3 pm.

The civic body has started work to install the shades. While motorists initially expressed excitement about the

initiative, many are disappointed that the shades are too short to give ample protective cover from the Sun.

Last year's shade were three metres wide and 50 metres long. Motorists say the shades will serve their purpose if they are 100 metres long. 'Some of the nets that were installed last season were torn, and several supporting poles were damaged. The quality of the nets and poles needs to improve', says residents.

Similarly, a food delivery worker commented, 'we can't wait more than 30 seconds at traffic signals. Shade shelters are essential nowadays. It would be helpful if the GCC installs at least 20 shades nets in the city'.

Deputy Mayor M Magesh Kumaar notes, 'we have instructed zonal officers to put up adequate shade nets over necessary locations. Additionally, we will ensure that higher-quality nets and poles are used, as the previous ones had easily worn out. Based on feedback from the officers of 15 zones, shelters will be installed on a priority basis'.

## Open EB boxes a death trap in waiting

Residents said that it is a frightening experience, especially during nights, as the road is often dark and the open EB boxes in Puliyur 2nd Street, Kodambakkam could go unnoticed, leading the public to come in contact with live power cables.

Some of these boxes are almost on the road, due to which pedestrians may get electrocuted. Shanthi one of the residents of Puliyur says that we are scared because of this open electric box which is in high tension that to in dark it is not visible the EB should take necessary action to close the EB box without any delay.

As the summer started even a small leak could end up with the box catching fire.
